The license is good for events from August 1st—July 31st. Licenses will be sold on a first-come, first-served basis and license holders will be given the right of renewal each year. Seat licenses are non-transferable. The i wireless Center reserves the right to make seat assignments that will maximize seating in the Jumer's Casino Club Seat Section. Licenses will be pro-rated for mid-year purchases. Licenses obtained after January 31st will require the purchase of the seat license for the subsequent year.

Ticket prices will be equal to the regular seats in Section 113. Jumer's Casino Club Seats will not be subject to any discounts or ticketing promotions.

*There may be a very limited number of events that are invitation-only, private ticketed functions, or configured that would make the seat unusable and would exclude the ability to purchase this seat. The i wireless Center will make every effort to ensure that the seat is usable for every event or will offer a suitable alternative.
