

2008-2009 Jumer's Casino & Hotel Club Seat Licenses

Don't miss a single event!

The i wireless Center offers you the opportunity to enjoy the ultimate entertainment experience by purchasing annual premium seating! With a Jumer's Casino & Hotel Club Seat License, you will receive the benefits of:

A guaranteed premium seat located in Section 113 for every ticketed event*, including optional season tickets for the AF2's Quad City Steamwheelers.

- A comfortable, black leather, cushioned seat.
- Having up to ten days prior to each event to purchase the licensed seat. Only after that time will licensed seats be made available to another party.
- Food and beverage in-seat wait service during allowable time periods at each event.
- Exclusive VIP Club Lounge access beginning when doors open through the end of the last intermission.
- Personal ticket purchasing service through the i wireless Center Box Office staff.
- Encore! Rewards program membership, including additional ticket purchasing opportunities.
- Preferred opportunities for individual event Truss Club or Luxury Suite rentals.
- One complimentary parking pass with the ownership of two Club Seat Licenses. Passes allow access to any main lot including the Metrolink parking ramp.

All of these benefits are available for an annual fee of \$500 per seat license for events August 1 through July 31. Mid-year purchases are available at a pro-rated cost. Licenses obtained after January 31 will require subsequent year renewal.

Licenses are sold on a first-come, first-served basis with previous license holders granted the first right of renewal. Seat licenses are non-transferable. The i wireless Center reserves the right to make seat assignments that will maximize seating in the Jumer's Casino & Hotel Club Seat Section. Ticket prices will be equivalent to the regular seats in Section 113 and will not be subject to any discounts or ticketing promotions.

*There may be a limited number of events that are invitation-only, privately ticketed functions, or configured that would make the Jumer's Casino & Hotel Club Seat Section unusable and exclude the ability to purchase a licensed seat. The i wireless Center will make every effort to ensure that the seat is usable for every event or will offer a suitable alternative.
