Jumer's Casino & Hotel Premium Seats provide  
the perfect opportunity to enjoy the ultimate  
entertainment experience!

With a Jumer's Casino & Hotel Club Seat License, you will receive the benefits of:

- A guaranteed premium seat located in Section 113 for all ticketed events\* excluding tenant sporting events.
- A more comfortable, black leather, cushioned seat.
- Having up to ten days prior to each event to reserve & purchase the licensed seat. Only after that time will licensed seats be made available to another party.
- Personal ticket purchasing service through the i wireless Center Box Office staff.
- Encore! Rewards program membership, including additional ticket purchasing opportunities.
- Food and beverage in-seat wait service during allowable time periods at each event. (excludes tenant sporting events)
- Exclusive VIP Club Lounge access beginning when doors open through the end of the last intermission. (excludes tenant sporting events)
- Preferred opportunities for individual event Truss Club or Luxury Suite rentals.
- One complimentary parking pass with the ownership of two Club Seat Licenses. Passes allow access to the i wireless Center Main Lot.

All of these benefits are available for an annual fee of \$500 per seat license for events August 1 through July 31. Mid-year purchases are available at a pro-rated cost. Licenses obtained after January 31 will require subsequent year renewal.

Licenses are sold on a first-come, first-served basis with previous license holders granted the first right of renewal. Seat licenses are non-transferable. The i wireless Center reserves the right to make seat assignments that will maximize seating in the Jumer's Casino & Hotel Club Seat Section. Ticket prices will be equivalent to the regular seats in Section 113 and will not be subject to any discounts or ticketing promotions.

\*There may be a limited number of events that are invitation-only, privately ticketed functions, or configured that would make the Jumer's Casino & Hotel Club Seat Section unusable, therefore excluding the ability to purchase a licensed seat. The i wireless Center will make every effort to ensure that the seat is usable for every event or will offer a suitable alternative.
